

Admission for Boarding

Please list all pets being presented today for boarding:

Does your pet have any problems or medications that we should be aware of? _____ If yes, please list:

We require all of our boarders to be current on vaccinations. If your pet is not current on any of the vaccinations listed below, the vaccinations will be administered and the cost added to your bill.

Dogs: Rabies, DHLPP-CV, and Bordetella

Cats: Rabies, FVRCP, and Feline leukemia

All animals infested with fleas will be given a capstar for the charge of \$8.00.

Are there any additional procedures you wish to have done for your pet while they are staying with us?

Please list phone numbers for where you will be and/or any emergency contact numbers for family or friends should we need to contact you.

I authorize the Claxton Veterinary Clinic to perform any procedures necessary to save the life of my pet(s) should any unforeseen circumstances arise. I understand that every effort to contact me will be made, but that such procedures may have to be performed before I am notified. I give full consent for such procedures. I also understand that I am responsible for the cost of any such life saving procedures.

I release the Claxton Veterinary Clinic and any of its veterinarians from any liability resulting from any emergency procedures deemed necessary to try to save the life of my pet.
